THE POPULAR ROUTE

This leaflet is designed merely to give readers a "snap shot" at the attractive service of the "Camps Way" in Yellowstone National Park. If interested, apply at any office listed on opposite page for our 24-page red folder.

The U. S. government has established the standard "Four and one-half day tour" for passengers who go to the Park by rail. The cost, \$45.00, covers all automobile transportation in the Park, 14 meals and 4 lodgings in the Park and all guide service. These moderate charges include everything if you use the Camps.

Visitors driving their own autos to and through Yellowstone find our Camps the popular service. The rate is \$4.50 per day based on \$1.00 for each meal and \$1.50 for lodging. Children, under twelve, half rate.

A hostess at each Camp looks after the comfort of women guests. The Camp atmosphere is clean, informal and pleasurable. There is nothing rough or coarse. There is no "dressing up." The employees are from private homes, largely teachers and college students.

All sleeping tents are framed, floored, wainscoted and heated. Also rustic cabins. The beds are of the best quality. Meals are served in large central dining halls.
